A WILD EXCURSION.

Indulged in "By Mary Mellin, Aged 14
Years.

Springfield, Aug. 12.-Mary Mellin,
aged 14, and her mother took a horse
and carriage from the Sears livery stable
at Claremont, N. H., last Wednesday,
and went out to pick raspberries. While
her mother was busy in the berry field,
the girl took the rig, and with her bull
dog, started, going first to Unity, N. H.,
thence to Acworth, Alstead, South
Charlestown and crossing into Vermont
passed through Weathersfield and North
Springfield.

She had been on the road two days
and one night, and had traveled more
than 80 miles when Deputy Sheriff Fair-
banks captured her near Gasquet, Vt.
The girl was asleep in the wagon and
the horse was feeding by the roadside.
She had almost nothing to eat dur-
ing her excursion.

The girl would talk but little, and no
motive was given for her wild ride.
Deputy Sheriff F. L. Hanley of Clare-
mont took the girl back Saturday.

WEDDED A VERMONT GIRL.
Edwin B. Weston of Derry, N. H., and
Lena A. Ellison.

West Derry, N. H., Aug. 12.-The re-
cent marriage of one of Derry's well
known lawyers to a Vermont girl, is the
latest social event of interest. The
contracting parties to this marriage were
Miss Lena A. Ellison of Randolph, Vt.,
and Edwin B. Weston of Derry. The
ceremony was performed at the home
of the bride in Randolph, Vt., on Thurs-
day, Aug. 8. Mr. Weston is a native of
Manchester, and the son of Gov. James
A. Weston. He has a very good practice
here and is very popular among our
people. Miss Ellison has lived in Derry
and also has a large circle of friends
and acquaintances here. They will take
an extended wedding trip and will then
come to Derry to reside.

There is more calamity in this section of
the country than at any other time, together,
and until the last few days was supposed to be
insupportable. However, a local doctor
pronounced it a local disease and prescribed
local remedies, and by constantly failing to
cure with local treatment, pronounced it in-
curable. Science has proven calamity to be a
constitutional disease and therefore requires
constitutional treatment. It is taken internally in
drops to a teaspoonful. It acts directly on the
blood and mucous surfaces of the system.
They offer one hundred dollars for any case it
fails to cure. Send for circulars and testi-
monials.

ABOUT THE STATE.

Items of Interest Gleaned From Our

Elliot Styles of Rawsonville, returned
home the other night to find "Tiger" his
pet dog, with both hip bones fractured.
"Tiger" is said to be a clever dog and the
owner it at a loss to understand the
motive of the person who inflicted the
injury.

As a result of the recent meeting of
about fifty or sixty of the citizens of
the village of Winoski it is possible
that a new club will be organized
which will have for its object the up-
lifting of the village, and will also be
in the nature of a political club.

Prof. William Stuart, of the univer-
sity of Vermont, Burlington, has thus
far reported nothing in the nature of
a sure means of ridding the Charlotte
orchards of the San Jose scale. Several
suggestions have been considered, and
Gov. Fletcher D. Proctor, who was au-
thorized by the last legislature to take
whatever action he deemed best with re-
gard to exterminating this pest, has
authorized Professor Stuart to make
another inspection of the orchards.

The prospective housewives in the
Rutland high school are taking very
kindly to the action of the educational
board in providing a course in cooking.
Miss Emma A. Winslow will give four
lessons a week, each class in the school
receiving one lesson. The Rutland
Woman's club, which has been instru-
mental in bringing about the innova-
tion, has agreed to furnish a thoroughly
equipped room for the work and the
Rutland Light & Power Co. will con-
tribute the fuel. The course is optional
with the pupils.

Odd Fellows Field Day.
The 13th annual outing of the Odd
Fellows Field Day association was held
on the St. Johnsbury fair grounds Sat-
urday afternoon and attracted over
2,000 spectators. The afternoon was de-
voted to all kinds of athletic sports,
prizes being given to the St. Johnsbury
team in the heavy weight tug-of-war
and to the team from the Rutland Light

THE REAL TEST

Of Herpelide is in Giving it a Thor-
ough Trial.

There is only one test by which a
judge of the efficiency of any article
and that is by its ability to do that
which it is intended to do. Many hu-
man ailments may look nice and small
but the point is do they eradicate Dan-
druff and stop falling hair?

No, they do not, but Herpelide does
because it goes to the root of the evil
and kills the germ that attacks the
papilla from whence the hair gets its
life.

Letters from prominent people every-
where are daily proving that Herpelide
stands the "test of use."

It is a delightful dressing, clean, pure
and free from oil or grease.
Sold by leading druggists. Send 10c. in
stamps for sample to The Herpelide Co.
Detroit, Mich.

Two steers—50 cents and \$1.00.

said application be referred to a session there-
of to be held at the Probate Office in said
